CLICK

The Click collection is presented with a unique texture that sets it apart, thanks to its distinctive design. The design suggests different tactile and visual sensations, evoking and hinting at very refined concepts: "Interwoven lines," "layered planes," "natural patterns"... The shades of this series combine perfectly with its diamond-shaped reliefs and sophisticated geometries that give the collection its more cosmopolitan side.

La colección Click se presenta bajo una personal textura que, por su diseño único, es el elemento diferencial de la misma. El diseño nos sugiere diferentes sensaciones al tacto y a la vista, evocando y sugiriendo conceptos muy depurados: "Líneas que se entrelazan", "planos superpuestos", "patrones naturales" ... Las tonalidades de esta serie combinan a la perfección con sus relieves adiamantados y con geometrías sofisticadas que aportan a la colección su lado más cosmopolita.
