KINFOLK

Kinfolk is a fusion of trends. Nordic, vintage, rustic and industrial designs are intermingled with a wide variety of fabrics, prints, colors and materials that blend together.

Kinfolk by APE Best for you is a very complete collection that consists of a decor set, three inspirations, five finishes and the most advanced technical features. The Kinfolk decor consists of 10 different pieces with striking shades and a matte finish that uses the carvin gloss technique to create a relief under the glaze that enriches its floral design. However, Kinfolk knows no limitations and offers a total of three different series: Kinwood, Kinstone and Kinmarble.

Kinfolk es un cruce de tendencias. Diseños nórdicos, vintage, rústicos e industriales se entremezclan con una amplia variedad de géneros, estampados, colores y materiales que se entremezclan.

Kinfolk de APE Best for you es una colección de lo más completa que se compone de un decorado en línea, tres inspiraciones, cinco acabados y las características técnicas más avanzadas. El decorado Kinfolk se compone de 10 piezas diferentes con tonalidades muy llamativas, acabado mate y un carvin brillo, un relieve bajo el esmalte que enriquece su diseño floral. Sin embargo, Kinfolk no entiende de limitaciones y ofrece hasta un total de tres series distintas orquestadas para que combinen entre sí: Kinwood, Kinstone y Kinmarble.
