AUGUSTUS

Augustus is a luxurious marble extracted from Central Asia that, in times past, was chosen to adorn palaces due to its polished finish and the delicacy of its design. It incorporates a series of reliefs and decorations which complement each other and create a unique design with continuity, elegance, and sophistication. Its earthy tones are complemented by fine natural white veins that enhance our porcelain. Thanks to the technique used, these are subtly concealed beneath the relief, creating an effect that generates truly admirable spaces.

Augustus es un lujoso mármol extraído de Asia Central que, en tiempos pasados, era escogido para revestir palacios debido a su acabado pulido y a la delicadeza de su diseño. Incorpora una serie de relieves y decorados de 60x120 y 30x90, que se complementan entre sí y crean un único diseño con continuidad, elegante y sofisticado. Sus tonos tierra se complementan con unas finas vetas blancas naturales que realzan nuestro porcelánico. Gracias a la técnica usada, estas se esconden sutilmente bajo el relieve, un efecto que genera ambientes dignos de admiración.
