COLORFUL

Colorful is positivity, joy and variety made a collection. Its wide color range of six bright and modern tones helps break the monotony and shows that plain walls are not boring. The decorations in the series are reminiscent of wallpaper and explore a very interesting play of light in their finishes. Colorful demonstrates its versatility with its classic and modern prints. Their floral designs are inspired by nature and are very different from each other, but they share a common factor: they are capable of filling any room with life.

Colorful es la positividad, la alegría y la variedad hecha colección. Su amplia gama de color de seis tonos vivos y modernos contribuye a romper la monotonía y demostrar que las paredes lisas no son aburridas. Los decorados de la serie recuerdan al papel pintado y exploran un juego de luces muy interesante en sus acabados. Colorful demuestra su versatilidad con sus estampados clásicos y modernos. Sus diseños florales se inspiran en la naturaleza y resultan muy dispares entre sí, pero comparten un factor común: son capaces de llenar de vida a cualquier estancia.
